

**SHG Programme for self-reliance and income generation in rural areas**

†\*104. SHRI MANGANI LAL MANDAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether it is a fact that targets under Self Help Groups Programme for economic self-reliance and income generation in rural areas are not fixed for commercial banks and Regional Rural Banks, barring NABARD;

(b) whether it is also a fact that in the process of fixing the size of credit scheme, the target of Self Help Groups is not fixed in the P.L.P. made by NABARD; and

(c) if so, Government's view in this regard, State-wise situation and achievement, along with details thereof?

THE MINISTER OF RURAL DEVELOPMENT (SHRI RAGHUVANSH PRASAD SINGH): (a) No, Sir. Under Swaranjayanti Gram Swarozgar Yojana (SGSY), a self employment programme of the Ministry of Rural Development, credit targets are fixed State-wise every year by the Ministry keeping in view the allocation of funds to the States. State Governments further allocate targets amongst the Commercial Banks, Cooperative Banks and Regional Rural Banks in their State. Under the SHG-Bank Linkage Programme facilitated by NABARD, the Self Help Groups are financed by the banking sector comprising commercial banks, cooperative banks and regional Rural Banks (RRBs). The targets under this programme are entrusted to Commercial banks, Cooperative banks and Regional Rural Banks (RRBs) in consultation with the Indian Banks Association (IBA).

(b) Yes, Sir. The NABARD prepares the PLPs (Potential Linked Credit Plan), for all the districts of the country which is an attempt to estimate the physical and financial potentials for various agriculture, allied, NFS (Non Farm Sector) and other priority sector activities as also for highlighting the infrastructure and support services gaps required to be bridged for translating these potential into bankable projects/activities. These projections form the basis for District Credit Plans (DCPs) and in the District Credit Plans (DCPs) financial and physical targets for SHGs are fixed.

---

†Original notice of the question was received in Hindi.

SHGs are not activity specific but Groups of people with freedom and flexibility to take up internal lending to members out of the corpus fund (saving generated amongst the members of the group) and also borrowed funds, based on mutual decision for a varied income generating purposes/activities (basket of activities) including for emergent consumption needs. Hence the PLPs do not provide specific estimates on credit potential for SHGs in financial terms. Although PLPs (Potential Linked Credit Plan) do not indicate the size of credit/scheme/targets, projections regarding number of SHGs to be promoted, no. of SHGs to be savings linked and number of SHGs to be credit linked are indicated in a separate chapter in the PLP titled "Role of Informal Credit Delivery System", to provide a perspective to banks and other agencies to support the SHGs. Further activity-wise estimates of physical potential estimated in the PLP are inclusive of credit support of all types of borrowers including SHGs.

(c) Government has fixed the target of 3.85 lakh SHGs under the SHG bank linkage scheme of NABARD which are to be credit linked by NABARD during the current year. Under the SHG- Bank linkage scheme of NABARD 1.33 lakh SHGs have been credit linked as on 31 October, 2006. The State-wise achievement of credit linkage under the SHG Bank Linkage Programme as on 31.10.2006 is given in the enclosed Statement-I (See below). During the year 2005-06 against the target of 4.88 lakh SHGs, 6.20 lakh SHGs were credit linked by NABARD as on 31st March, 2006. The State-wise achievement of credit linkage under the SHG Bank Linkage Programme as on 31st March, 2006 is given in enclosed Statement-II (See below).

Under SGSY programme, 23.89 lakhs of SHGs have been formed since inception i.e. 01.04.1999. During the current year, 1.06 lakh SHGs have been formed and 33,843 SHGs have taken up economic activities. During the year 2005-06, 2.76 lakhs SHGs have been formed and 80,067 SHGs have taken up economic activities. State-wise situation and achievements under SGSY Programme as on 31.10.2006 and 31.3.2006 are given the enclosed Statement-III and IV.
